ONE DAY SHORT FILM CHALLENGE

Lights, Camera, Action!

Ever fancied being part of a film crew and making your own film?

Come and join us this summer for shmu's One Day Short Film Challenge. Learn from professional filmmakers and work with your friends to make a film and screen it – all in one day!

If you are of secondary school age and live in Tillydrone, Woodside, Torry, Middlefield, Seaton, Northfield or Cummings Park and have an interest in film, whether it's camera, sound, lighting, editing – or you just want to try something new, this session will give you a taster of what goes into making a film and how much fun it can be.

Throughout the day you'll be given support to come up with an idea and then use our professional equipment at shmu HQ to bring that idea to life - and at the end of the day watch it on the big screen (with popcorn)!

Spaces are going on a first-come first-served basis, so if you are interested, please get in touch as soon as possible to avoid disappointment. For further information, or to book your challenge, please contact Aynsley: aynsley.murray@shmu.org.uk

During the day you will:

- Learn the basics of filmmaking
- Use cameras, sound and lighting equipment
- Work with experienced filmmakers
- Work as a team to produce a short film
- Screen your film on our cinema screen

Sessions are FREE to attend and will run each day from 10-4 pm on these dates;
