# ONE DAY LIVE RADIO CHALLENGE

Ever wondered what it was like to be a radio presenter or create your own podcast?

Come and join us this summer for shmu's One Day Live Radio challenge. Learn how to produce a radio show with friends and broadcast live on shmuFM – all in one day!

If you are of secondary school age and live in Tillydrone, Woodside, Torry, Middlefield, Seaton, Northfield or Cummings Park and are interested in making your own radio show, podcast or just want to try something new, this session will give you a taster of what goes into making a live radio show and how much fun it can be.

Throughout the day you'll be given support to come up with an idea, conduct research, script and produce your own live broadcast from our professional radio studio (make sure you tell family and friends to tune in).

During the day you will:

- Learn the basics of radio and podcasting
- How to use the radio studio
- Make a radio jingle
- Work as a team to produce a live radio show on shmuFM

Sessions are FREE to attend and will run each day from 10-4 pm on these dates;

**Tues, Wed, Thurs (12th, 13th & 14th July)**

**Tues, Wed, Thurs (19th, 20th & 21st July)**

**Thurs & Friday (28th & 29th July)**

**Tues, Wed, Thurs (2nd, 3rd & 4th August)**
